NON-SEPARATION AGREEMENT

It is agreed that in the event of the vessel's cargo or part thereof being forwarded to original destination by other vessel(s) or conveyances, rights and liabilities in General Average shall not be affected by such forwarding, it being the intention to place the parties concerned as nearly as possible in the same position in this respect as they would have been in the absence of such forwarding and with the adventure continuing by the original vessel for so long as justifiable under the law applicable or under the Contract of Affreightment. The basis of contribution to General Average of the property involved shall be the values on delivery at original destination; but where none of her cargo is carried forward in the vessel she shall contribute on the basis of her actual value on the date she completes discharge of her cargo.

We also agree to:

- (i) that the Adjustment shall be drawn up and stated in London, in accordance with the York/Antwerp Rules 1974
- (ii) furnish particulars of the value of the goods, supported by a copy of the commercial invoice rendered to us or, if there is no such invoice, details of the shipped value and
- (iii) make a payment on account of such sum as is duly certified by the average adjusters to be reasonably, properly and legally due from the goods and which is reasonably, properly and legally payable in respect of the goods by the shippers or owners thereof.
